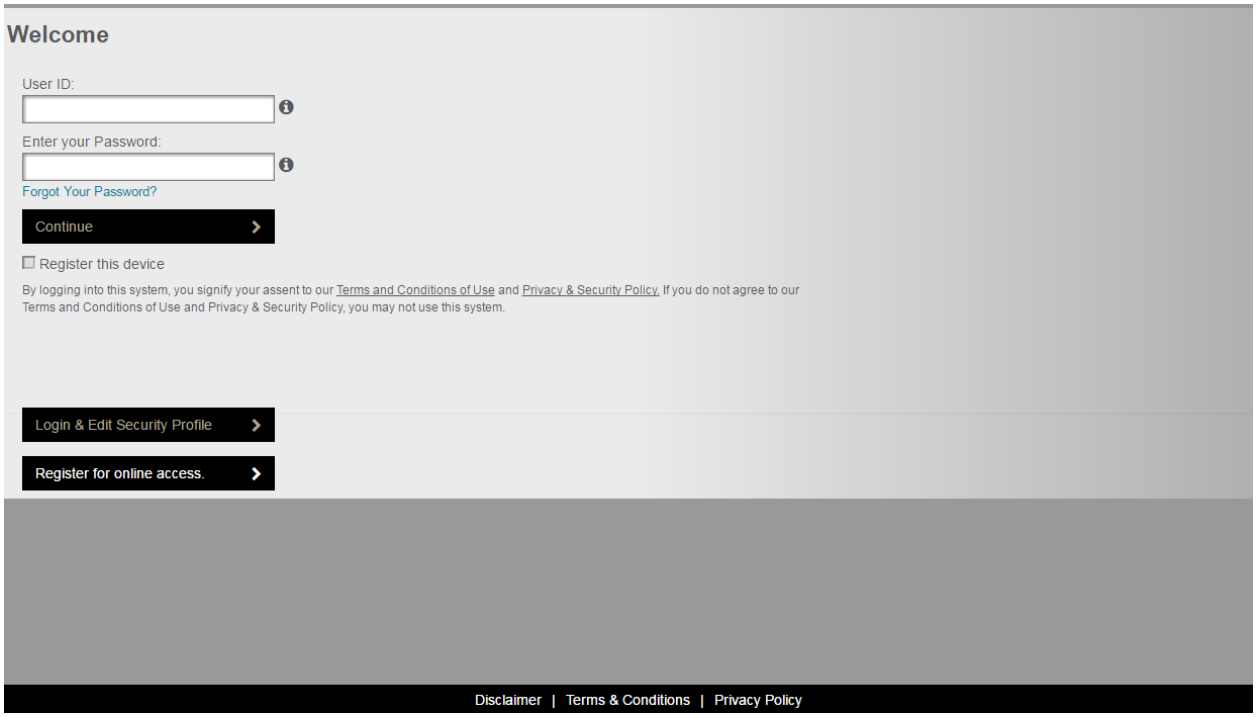
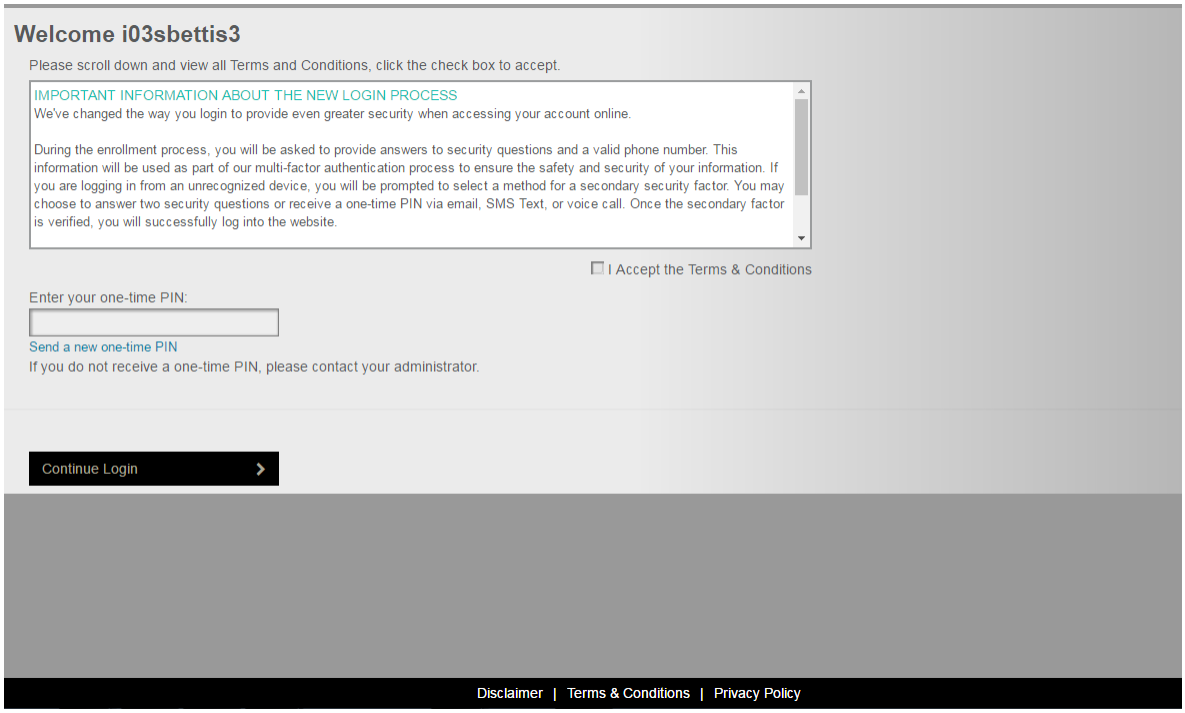
Step by Step Guide to the New Enrolment Process

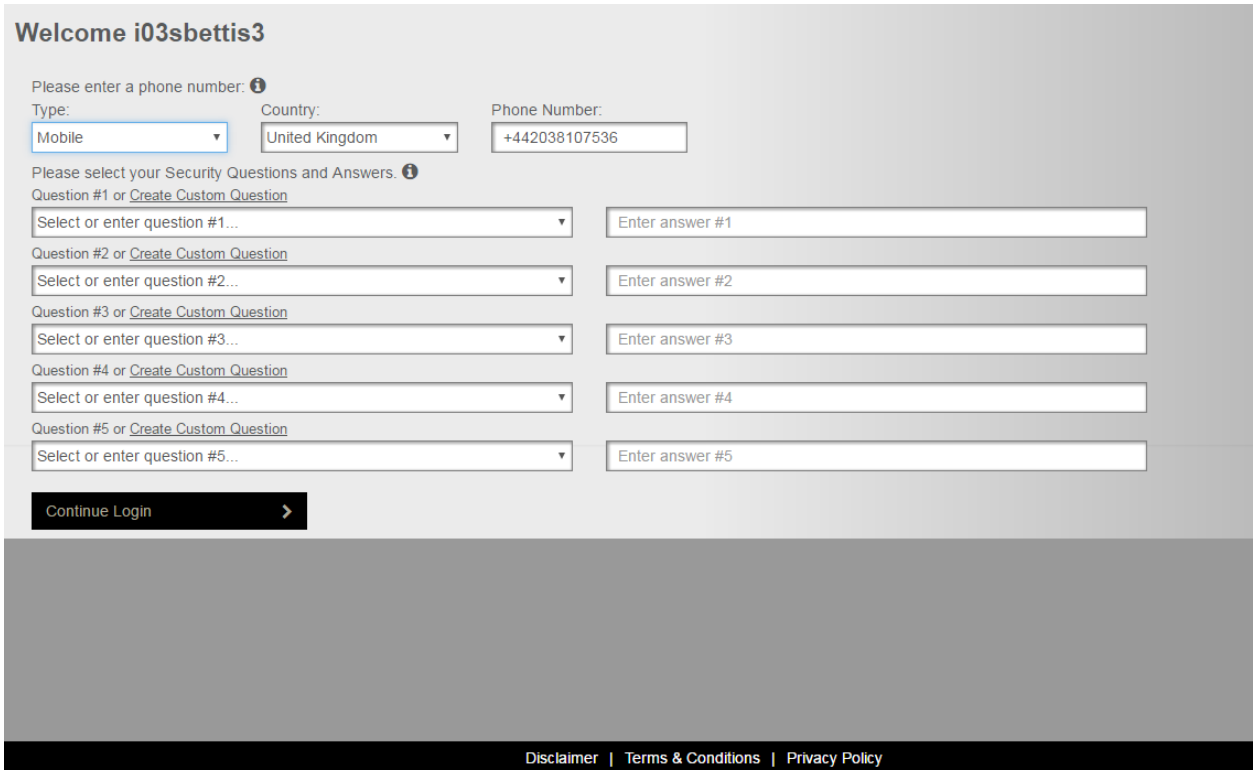
- When you next log in please use your usual login ID and password and click on Continue:



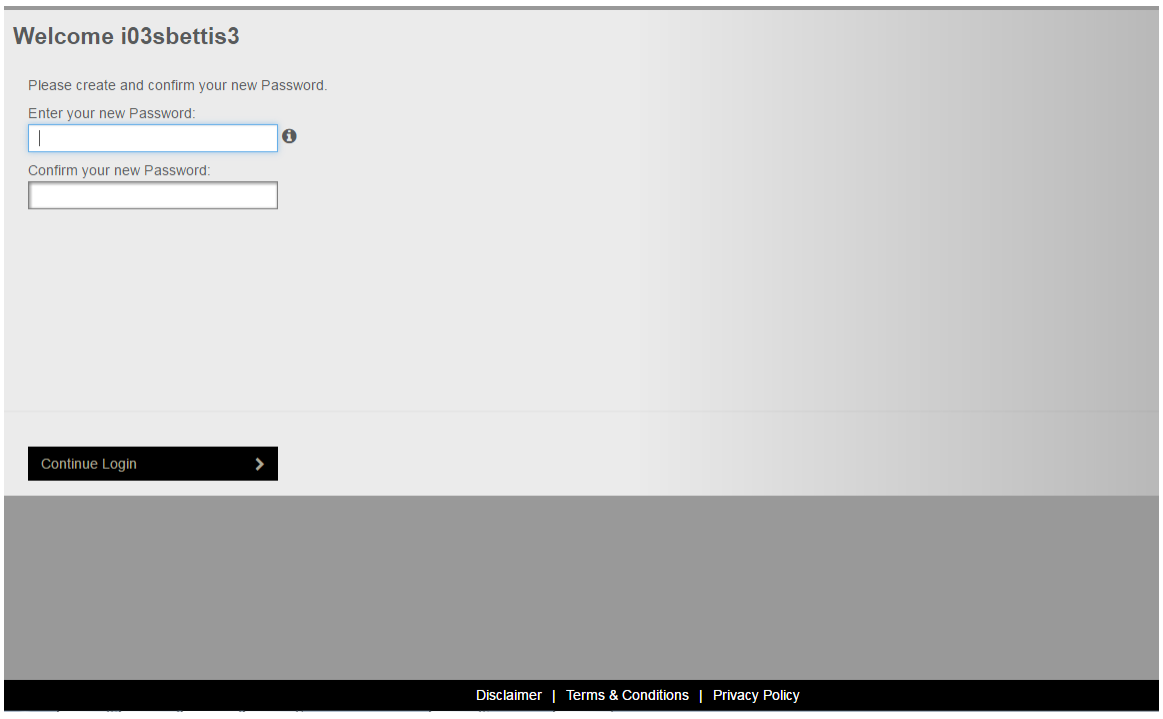
- On the next page you will be asked to Accept the Terms and Conditions and to enter the one time PIN that will be emailed to you:



- The next page will be to add your phone number (if not already populated with 10 zeroes) and select your 5 security questions – add your answers – or user can custom their own security questions:



- The next page will ask for your new Password:



- Click on Continue and you will be able to access SWP Desktop or the End Client Website. An email confirmation will be sent from noreply@seic.com to confirm this is succesful:

Dear Client,
You have successfully completed the enhanced authentication enrollment process.
If you did not perform this action or you feel that you have received this message in error, please contact your System Administrator.
